Principal's Message

MR. SMITH, Principal

THE EVENTS of the past school year clearly indicate the excellent qualities and capabilities of our student body. The records made in scholarship, athletics, public speaking, dramatics, music, and in handling the responsibilities of student offices speak for themselves. We are especially indebted to our student officers for the excellent manner in which they have handled student affairs and controlled student attitudes. The Wasconian Staff and Advisor are to be congratulated for the very fine record that they have given us of the events of an outstanding year.

The Radio Forensic Club is now finishing its third year at Wasco High. Formed originally to stimulate speech activities, the club has grown from just a few members at the start to over twenty members now.

During its three years, the club has been very active. Its members have put on assemblies at the high school, taken field trips to Hollywood, and gone many times to KWSO to learn how the station is run.

Perhaps the most important activity has been to sponsor all speech activities at Wasco High. This last year, these activities consisted of a Voice of Democracy radio-speech contest in the fall, in which Marjorie Rothe, Jan Trew, James Farley, and Irene Wankum participated; the Lions' Club contest, with speeches by James Farley, Jan Trew, and Joe West; and three CIF contests, in which Marjorie Rothe and Barbara Bain represented Wasco High School.

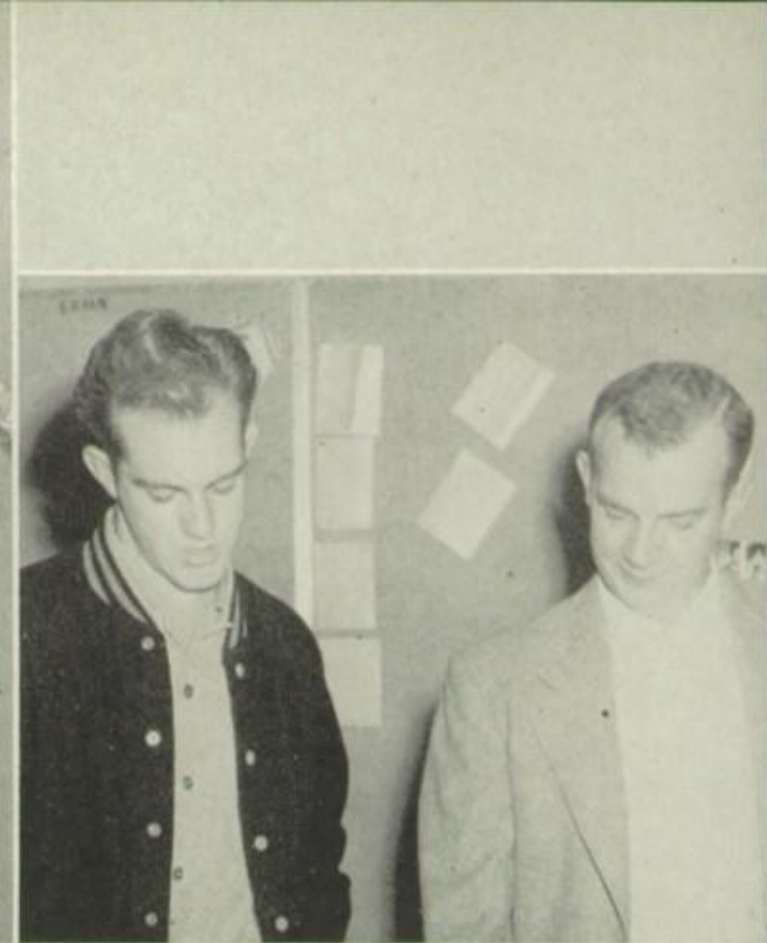

Marjorie Rothe won the Voice of Democracy contest, and also took Valley Championship honors in the CIF serious reading contest. Barbara Bain took two seconds in the CIF extemporaneous speaking contest.

James Farley won the local Lions' Club contest, and took a close second in the zone contest held in Oildale.

FFA Activities

THIS SCHOOL YEAR 1952-53 has proven the most successful for the members of the Wasco Chapter, Future Farmers of America, in its 22-year history. To begin with Kenneth Duncan, Dale Greenlee, and Tommie Brown topped all FFA exhibitors at the 1952 California State Fair with their fat steers. Duncan had champion Shorthorn steer, Greenlee champion Hereford, and Brown champion Angus. Duncan's Shorthorn was made grand champion FFA steer with Greenlee's reserve grand. Their placings and others of the Wasco Chapter brought first prize sweepstakes to Wasco in beef for the fourth straight year and the winnings of Wasco FFAs in farm mechanics brought the fifth consecutive first prize sweepstakes for Wasco.

At the Kern County Fair a month later Albert Streiff had grand champion barrow for which J. D. Camp, honorary member of the Wasco Chapter, placed a successful bid of \$2.60 per pound, the highest price paid on the coast this year for a grand champion barrow. Ed. J. Peters, Clarence Annin, Harry Pollock and J. D. Camp purchased a total of ten fat steers and the grand champion barrow at the auction sale in a generous gesture of support for Wasco boys. Wasco FFA farm mechanics exhibits won a total of 39 blue ribbons compared with 6 for Bakersfield, 5 for Arvin, and one each for Shafter and East Bakersfield. Chapter owned stock in the open division won all five firsts in car lot competition, with Wasco's light load of Bar 13 Herefords as grand champions and our Angus carload over 1000 lbs. average as reserve grand champion load. Wasco's four pens of five steers won all of the firsts in open division competition with seven individual steers being placed as first prize.

Albert Streiff repeated with another grand champion barrow of the show at the Great Western after winning champion FFA and grand champion of the junior division. His fat lamb was made champion FFA lamb, grand champion of the junior division and reserve grand champion of the show. His pen of three lambs were champion pen of the FFA division. He won a gold Watch each on the fat hog and fat lamb, duplicating the feat performed by his brother, Norbert, back in 1947. In addition the Chapter won the Armour and Company trophy for the most worthy high school exhibit and also the Swift and Company trophy for the best high school exhibit based on prize money won, appearance of the pens, exhibits and boys. Wasco Chapter has won each of these trophies five times.

Tommie Brown placed second in the Kern Section FFA public speaking contest, the first FFA from Wasco to compete in this worthwhile contest. His name was the first to be engraved on the Permanent chapter trophy for public speaking.

Albert Streiff was toastmaster of the 13th Annual FFA Parents' and Friends' banquet honoring parents and friends of the Wasco FFA. Buck Baggs Jr. and the junior FFA class prepared the barbecue a-la-Castro under the direction of the chapter adviser, Paul D. Spilsbury. Four hundred plates were served at an all student program featured by the award of State Farmer pins to Albert Streiff and Paul Anderson, honorary memberships to Ed. Peters, Clarence Annin, Harry Pollock, Paul Wise and Leigh Barrows. Mrs. Joe Streiff was named Mother of the Year and received an orchid corsage from her youngest son, Albert, and an all-wool blanket made from wool from FFA sheep, both gifts of the Future Farmer chapter. Her sons are all State Farmers, all former FFA presidents and one, Norbert, is an American Farmer, highest degree possible in the national FFA. Joe, Skip and Albert are all State Farmers. Their records in livestock shows include nine grand champion barrows, one grand champion steer, seven gold wrist watches, seven Safeway trophies. Boys making outstanding parts on the banquet program included Dwayne Hutson, Tommie Brown, Ken Duncan, Vernon Crawford, Ray Wilcox, Larry Mixon Danny Munden, Ronnie Settlemire, Lavern Rolin, Vernon McGuire, Chester Brooks, Grady Thompson, Jr., Charles Aulston, James Hall, Glenn Peters, and Albert Streiff.

Charming Rose Miller was elected queen of the 1952 Rodeo and was escorted by Walter Gafner, FFA Chapter President. Other girls in the popularity contest were: Marsola Satterfield, Mary Lou Ragsdale, Freta Miller, Sue Sigler and Sue Fulcher.

The rodeo was the largest and most successful since the 1947 show and was well organized under the direction of Walter Gafner, Chapter President.

James Hall, outstanding in farm mechanics has entered his shop projects of an all steel gate for the school farm and cattle squeeze chute in the Lincoln Foundation national welding contest.

Vocational day was participated in by all the FFA boys who spent the day painting the feed corrals on the Ag. Farm and repairing rodeo equipment.

Sequoia League Champions

Wasco High School started out the 1952 season with high expectations based on the returning of eleven lettermen, two transfers, plus a number of good prospects up from the lightweight team.

The three practice games kept their stock rising as they defeated Taft 24 to 6 in the opener, bombarded Arvin 45 to 0 in the second game, and then went on to top the always tough Delano Tigers 27 to 20 in as thrilling a game as seen in these parts for many a year.

The first league game was a knock-down drag-out affair with Corcoran in which the Wasco Tigers won by the score of 19 to 12. On successive week-ends the Tigers then took into camp Exeter by the score of 27 to 7; Lemoore 53 to 0; Shafter 25 to 6; and Coalinga 33 to 13 to finish the regular season with a perfect record.

There was still one game to be played however,

the Sequoia Valley Championship game with Sanger and what a game it turned out to be. Sanger went into the game with a win streak of seventeen games and at half time it looked as though it would be preserved as they led 13 to 0. On the first scrimmage play of the second half Pat Mills tossed a pass to Cleo Brannon, Penner converted and the score stood 13 to 7. With two minutes to play Mills tossed another pass, this time to Henry Webb on the two yard line and on the following play Jim Niles carried the pigskin into the end zone to tie up the game. With Myers holding and Penner doing the booting, the ball sailed between the uprights assuring Wasco of the Valley Championship, an undefeated season.

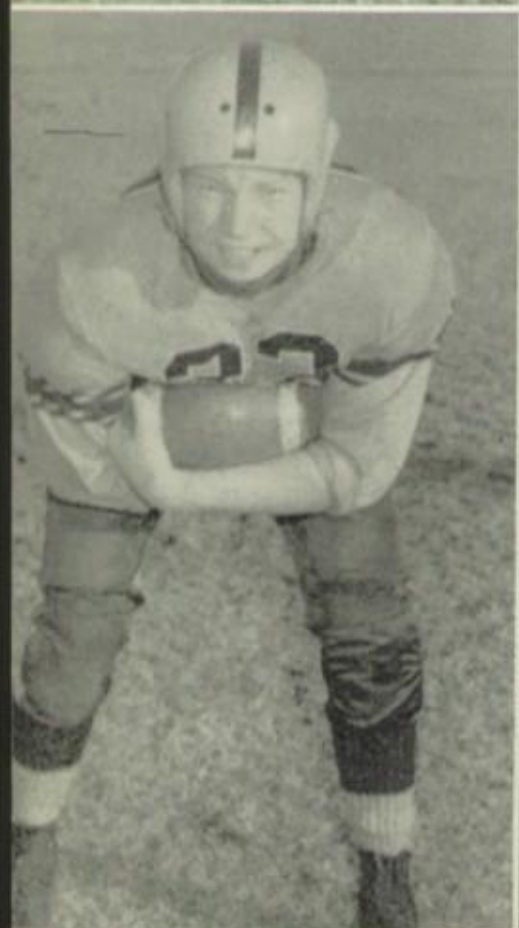

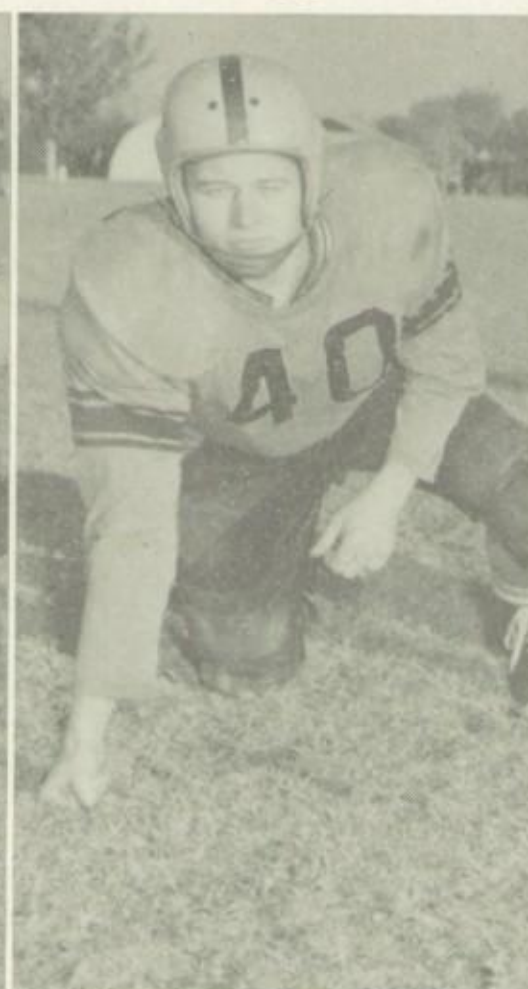

There were many outstanding players on this great team but it was team play and team spirit that carried it through. In the backfield Mills at quarterback, Dunlap and Niles as halfbacks and Napier and Jim

Penner at fullback were outstanding. The line was anchored by Co-Captains James Hall and Gerald Penner at tackle, Smith, Brown and Baggs at guard, Marks and Wilcox at center, and Brannon, Webb and Kirkpatrick at end.

Defensive standouts include Preston at half, Sullivan as line-backer, Brooks at end, and Emerson as line-backer.

Walt Napier was the leading scorer with 86 points for the season and was also chosen as the outstanding player by his teammates. Penner made the all-valley team. The Wasco team was rated as one of the best teams, if not the best, in the valley, and also the best team in the history of the school.

Boys' and Girls' State

BOYS' STATE is a citizenship training activity sponsored by the American Legion. Every year at least one boy in the Junior Class is selected for the honor. The selection is based on leadership, scholarship, and character. The honoree is sent to Sacramento, where the group organizes into city, county, and state governments. From this practical school of government the boys learn the part each one can play under our system of government.

The following boys have had the privilege of representing Wasco at Boys' State at Sacramento: 1939, Robert Anderson; 1940, Kenneth Anderson, Leo Crettol; 1941, Bobby Nikkel; 1942, Scott Robertson; 1943, Joe Hunt; 1944, Roy Gafner; 1945, James Bewick; 1946, Mervin Nerling; 1947, Orval Brown; 1948, Larry Wedel, Bob Counts; 1949, Boyd Ryan, Ronald Hillblom; 1950, Delbert Bowles, Emerson Froese; 1951, Kenneth Wedel, Dale Knox; 1952, Henry Webb, Gerald Penner.

Since 1940 the Wasco American Legion Auxiliary Unit 215 has sponsored a junior girl from the local high school to Girls' State at Sacramento. This organization offers the girls of high school age the same opportunity of partaking in government activities that the Boys' State offers the boys. The following girls have represented Wasco Union High School: 1940, Nelda Ellenwood; 1946, Pat Waugh; 1947, Lois Duerksen; 1948, Phyllis Peters; 1949, Betty Poettgen; 1950, Doris Sadler; 1951, Beverly Sirman; 1952, Barbara Bain.

Acknowledgements

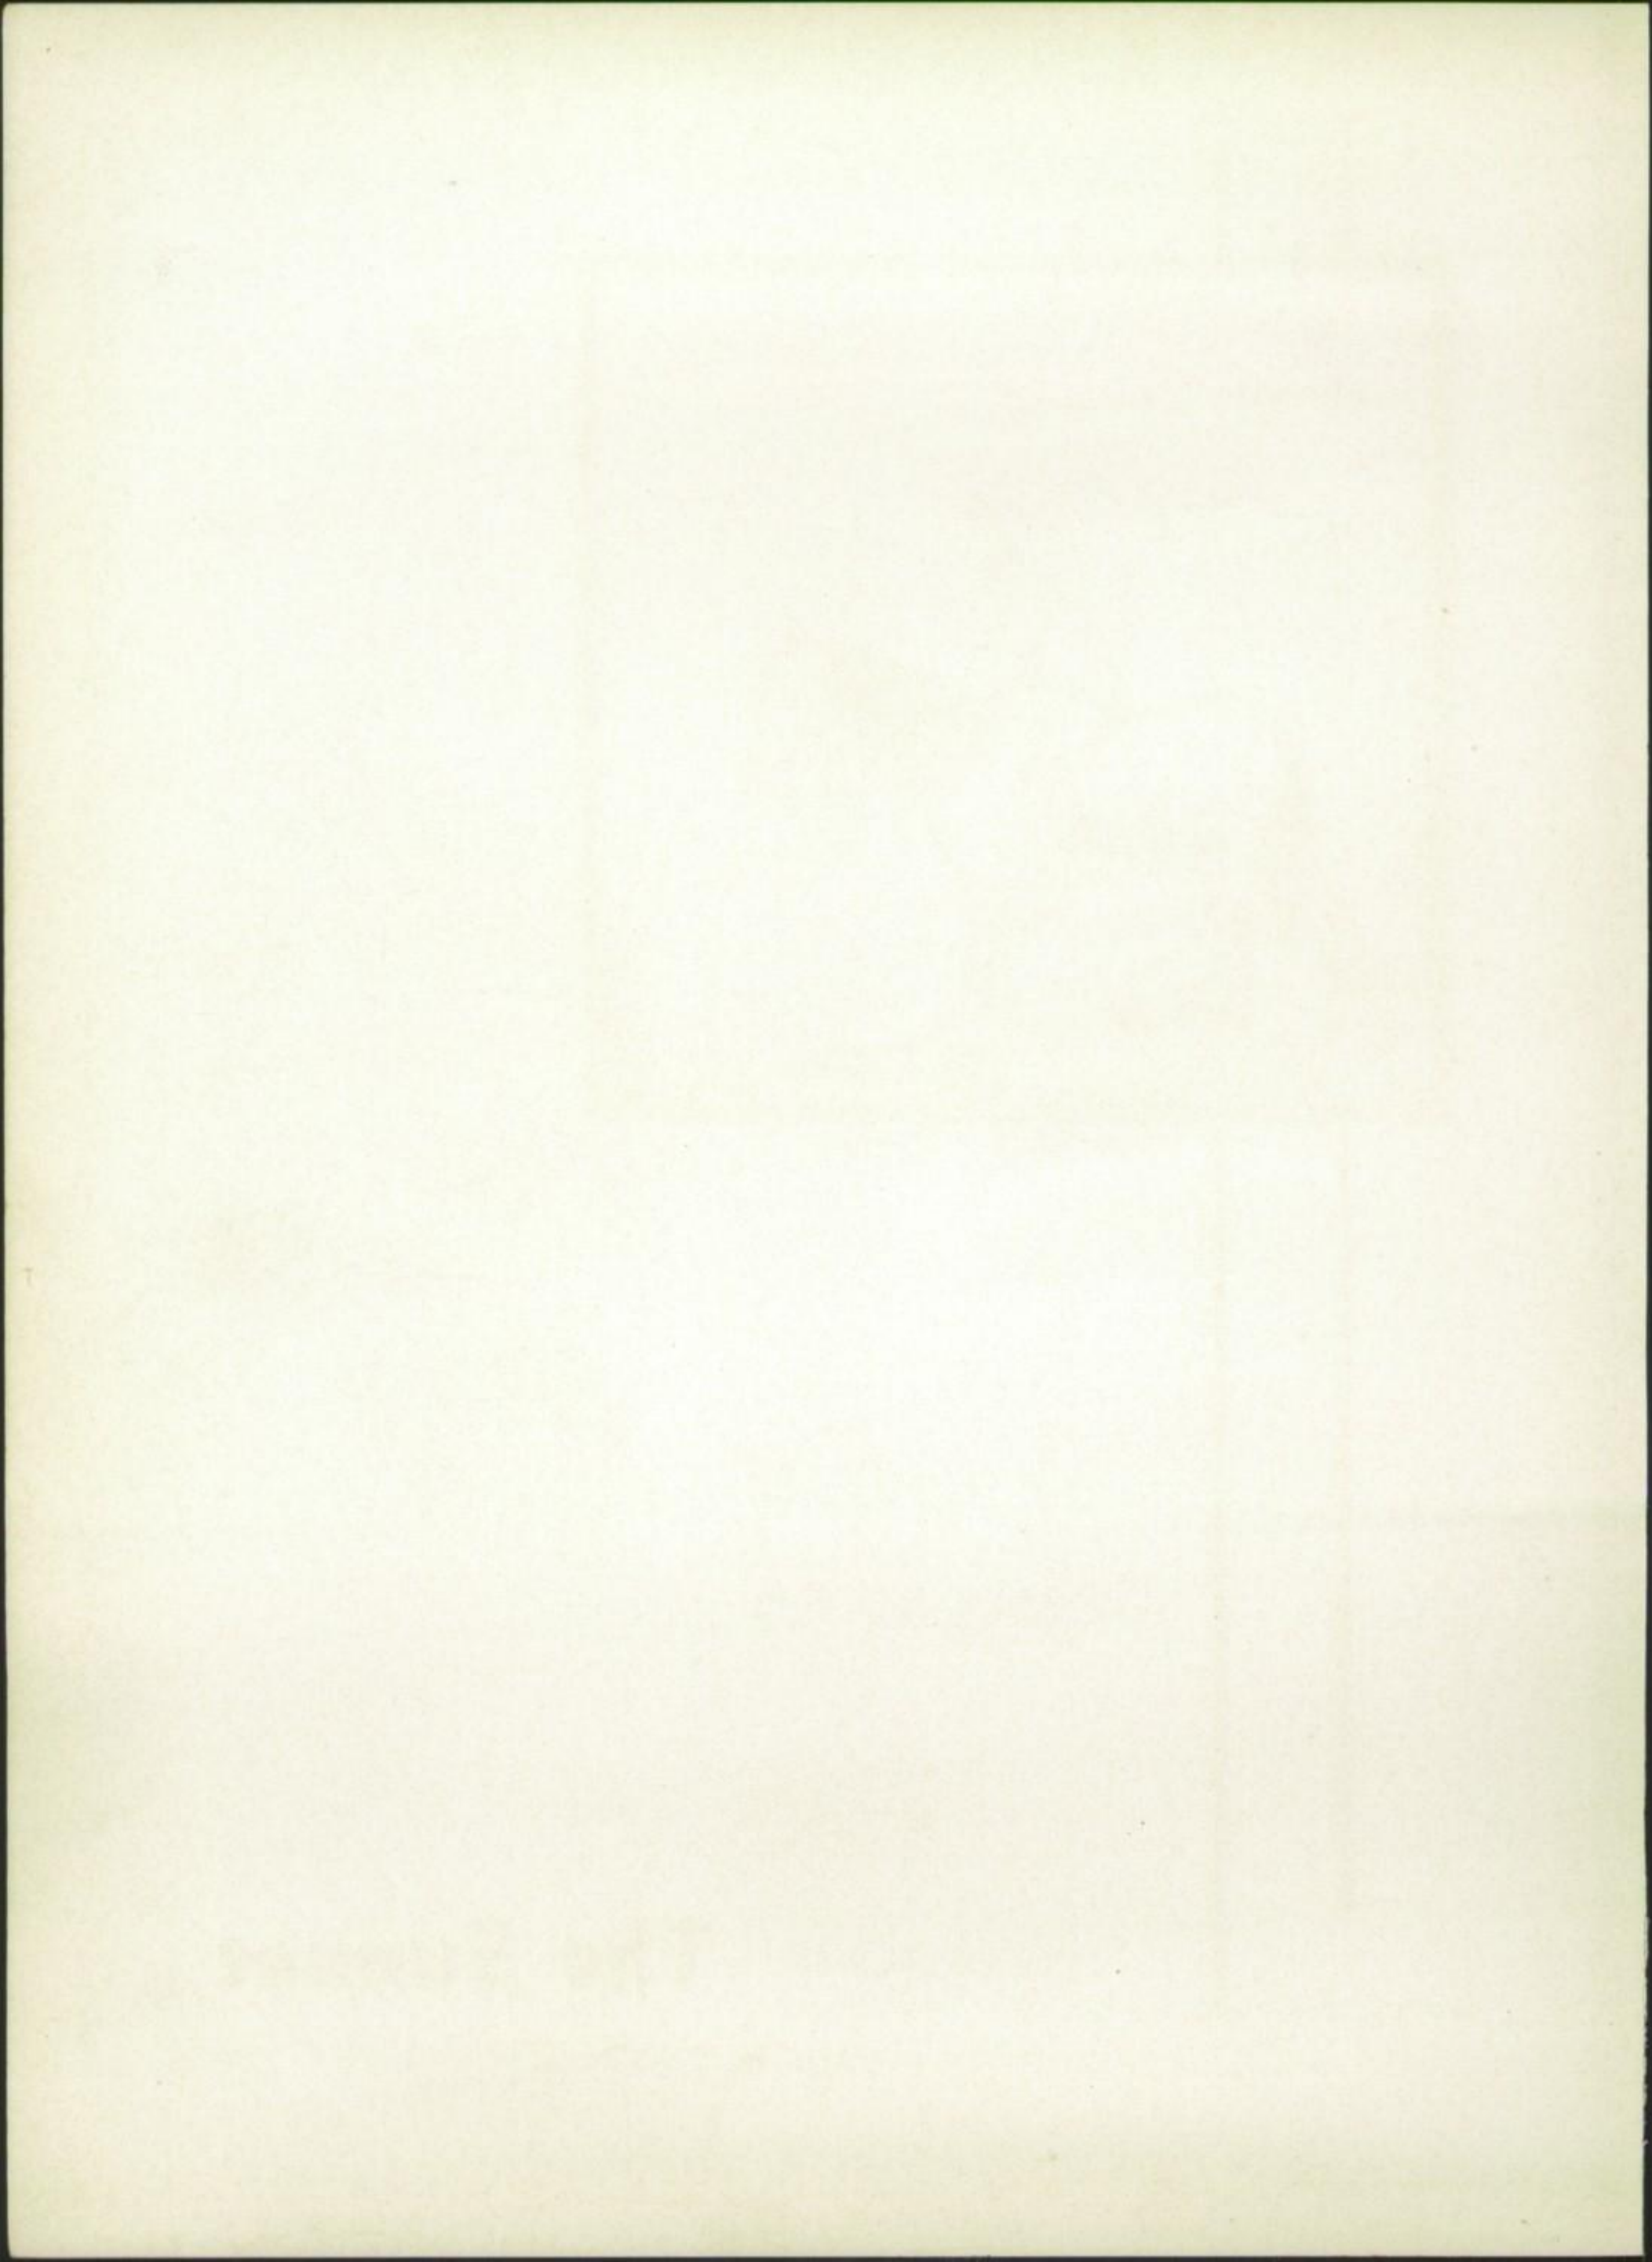

The publication of the 1953 Wasconian would not have been possible except for the generous and willing assistance offered us by the Wasco merchants, students, and faculty members. We are especially grateful to the following and extend our sincere appreciation:

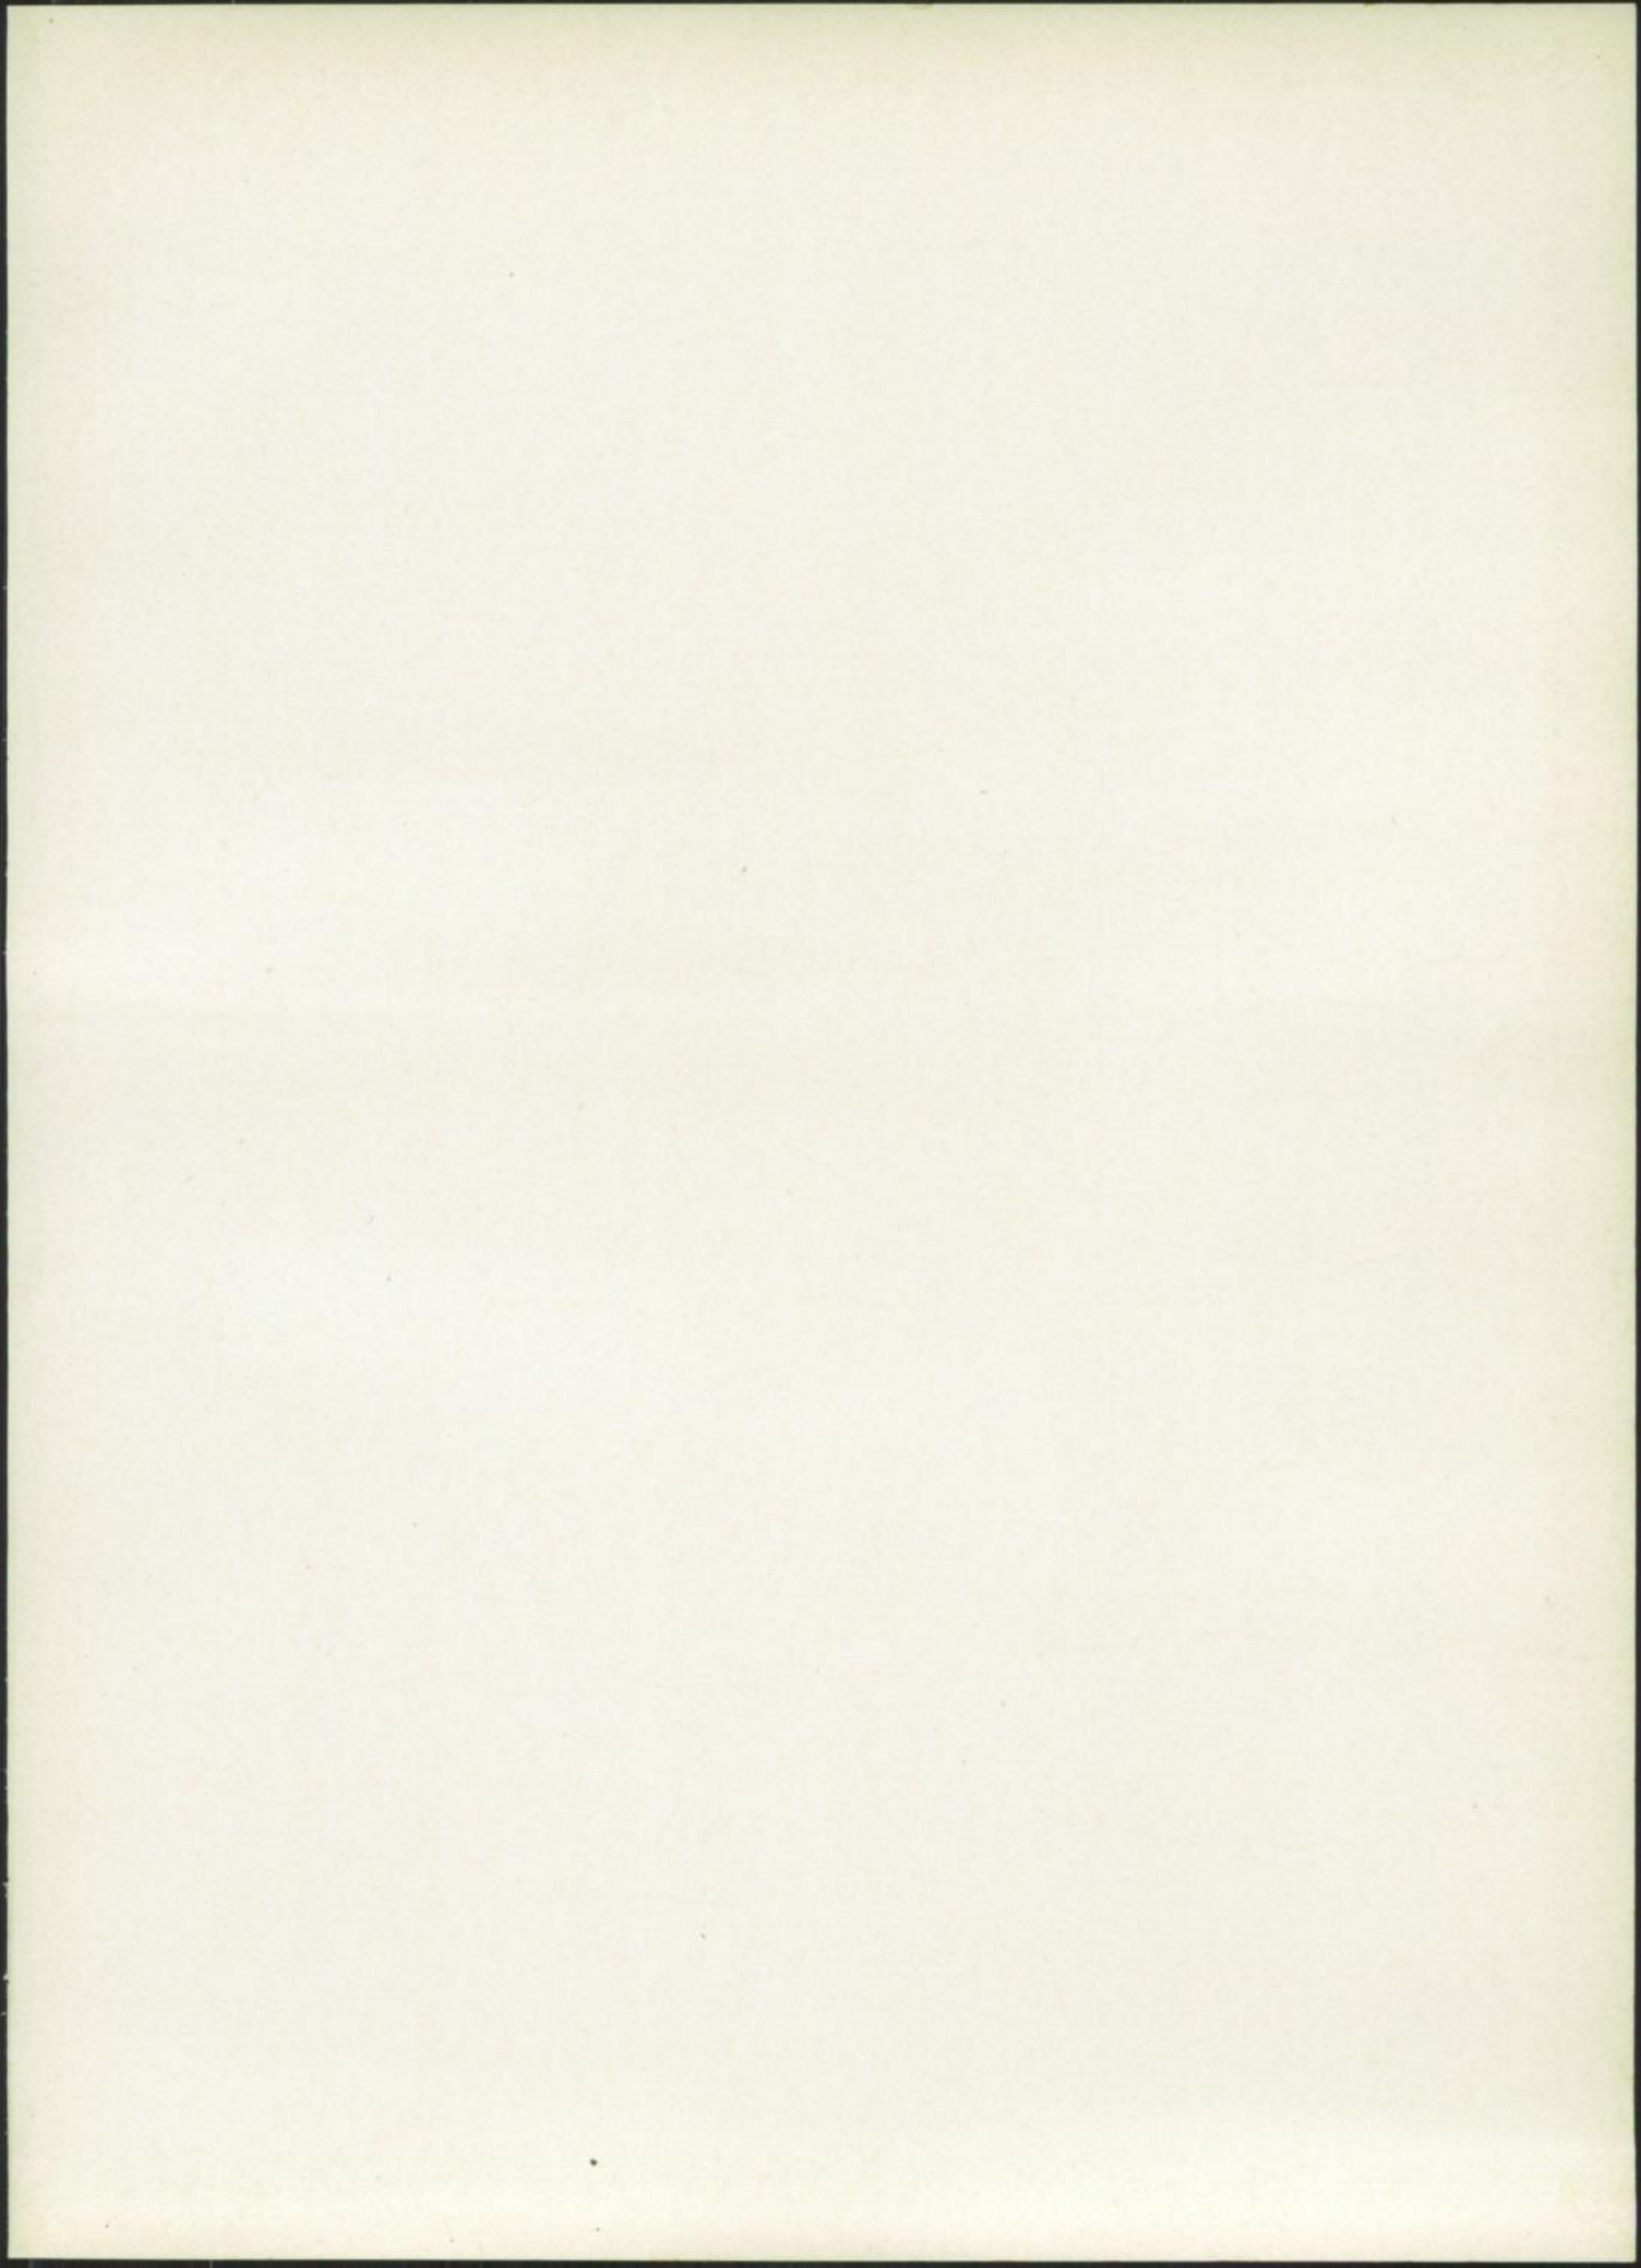

MR. RAY REXIUS, Wasco Studio, for photography
THE STAFF OF THE WASCO NEWS, for printing and binding
CALIFORNIA ART AND ENGRAVING, for engravings
THE S. K. SMITH COMPANY, for covers
THE TIGER RAG, for publicity
MISS WANDA LUKES, Advisor, for counsel and leadership
